EVENT THEMING & REQUIREMENTS

Decorations provided by clients or third-party suppliers are welcome at Beenleigh Rum Distillery. To ensure suitability and compliance with our health and safety requirements, all decorative elements should be approved in advance by our events team. A curated list of recommended local vendors is available on request to help bring your vision to life.

As a working distillery, the use of fireworks, open flames, or any hazardous materials is strictly prohibited to protect the safety of guests, staff, and the venue. Glitter is also not permitted, as it can be difficult to fully remove and may impact distillery operations.

We are pleased to offer select decorations for hire at an additional cost, and our events team can guide you through our collection to enhance your celebration. Customised corporate gifts can also be arranged, with pricing and options tailored to create a lasting impression for your guests.

Celebration cakes are welcome, with a cakeage fee of \$2.50 per person. Our staff will professionally slice and serve the cake for your convenience.

External audio visual and production services are encouraged. Clients may engage their own band or DJ when hiring the venue exclusively, while other areas remain open to the public. Trusted local suppliers can be recommended, and select in-house equipment, including a portable television suitable for presentations, is available for hire at an additional charge.
